Henry L. Miles, Ill, Believed to Have Stumbled as He Sought Air.

SILL CLOSE TO FLOOR.

Victim Had Been Subject to Epileptic Attacks, Brother Tells Police.

Henry L. Miles was killed by falling from the seventh floor of the Concord apartments, No. 468 Riverside Drive, last midnight.

Miles lives in apartments there with his brother, Herbert, and the latter's family, who had retired. Hallboys found the body of Henry Miles lying in the stone court yard below. Miles had fallen from the window of his own room. which looks on a court. There had been no obstruction to his fall and he was

dashed to death.

An ambulance was summoned from the J. Hood Wright Hospital and Dr. Weingarten pronounced Miles dead. The two brothers had a spectacular rise to fortune. They made most of their money in California and came East a few years ago.

Henry L. Miles was forty years old and unmarried. He was engaged in the manufacture of machines of vari-ous kinds and was a man of large for-tune. His brother told the Coroner that Heart was subject to epileptic not and that he believed he fell from the window while in a fit, as the sill is very low.

The police and the Coroner examined the window and found that the sili was only five lineless above the floor. They believe that Miles staggered to the window for air, and fell.

ROBBED AT DOOR OF POLICE STATION

Victim Says He Was Attacked by Seven Men and Left

Senseless.

Gustave Klinger, a little barber, twenty-three years old, appeared in the Morrisanta Court to-day and told of a terrible beating he got last night when he was held up an drobbed almost alongside the wall of the Morrisania police station.

According to the story he told Magistrate Steinert, Kleinger was hurrying to his home at No. 809 Melrose avenue. and had not gone more than a dozen feet past the police station on Third avenue, between One Hundred and Fifty-ninth and One Hundred and Sixtieth street, when seven men sprang upon him and kicked him senseless with a blacktack. Then they stole his gold watch and chain and \$15 in change and watch and chain and slis in change and small bills.

They threw him in the shadow of the police station wall and departed. An hour or more later he recovered his sinese and crawled up the steps of the station-house. When he told Liesut. Fennell what had happened to him several detectives were sent out and made three arrests.

The three prisoners were arraigned to-day, but there was not a shred of testimony against them. They isolated they were hard-working men, but upon the request of the detectives the Court held them for further examination.

The girls, Mary O'Flanagan, Mary Kate Davoren and Rose Eagan, came to this country with Father O'Flana-gan, and are stopping at No. 112 East One Hundred and Sixth street. Clancy, of Elpnin, who has taken a prominent part in the industrial movement in Ireland, and who is a member of the Board of Agriculture and Technical Instruction

The girls afforded a unique feature of the New Year's afternoon parade up Fifth avenue and through the Park. The right of way at every turn was given them by all vehicles.
